# Find and Match your Letters!

These alphabet mats can be used so many different ways – which is exactly what makes them one of my favorite tools! Print and laminate them and offer a variety of different letter manipulatives that children can match (alphabet pasta, cereal, pretzels, small letter magnets, erasers, or paper cut-outs). Laminated mats can also be written on with dry erase marker, or you can print one for each child that they can write on in pencil or marker.
